WORK EXPERIENCE

I had my work experience as CCTV operator at Embarcadero Land Ventures Inc. from May 6, 2019 to November 29, 2019, and as clerk processor b at National Housing Authority, Ligao City from February 15 to April 15, 2021 on a job order status.

PROJECTS

Project: Web Dev Portfolio

Description:

This is my first project in the uplift bootcamp where I'm creating my own portfolio to showcase what I've learned in the HTML and CSS lessons.

Using mark-up language:

- HTML and CSS

Would you like to see my **portfolio website**? Here is the link: <https://bryanbalantes.github.io/p1-web-dev-portfolio/>

Project: Image Search App

Description:

In our second project in Uplift Bootcamp, I made Image Search App using Vanilla JavaScript with unsplash API. This application is like unsplash website where the user can search images.

API used:

- Unsplash API

Language used:

- Vanilla JavaScript

Mark-up language:

- HTML and CSS
